Storage Tank Mitigation Form

The Virginia Uniform Statewide Building Code (section 108) requires a permit to remove any underground or above ground storage tank (UST or AST). In addition, the Virginia Department of Environmental Quality has reporting requirements for regulated underground storage tanks and above ground storage tanks. This form must be completed and a permit issued for the removal or abandonment of any UST and-or AST.

Site Info

911 Address	
Tax Map Number	

Type of Property

- Residential (1-2 Family Dwelling)
- Commercial, Multi-Family, Industrial, etc
