The Mathews County Business License is a gross receipts license based on prior year gross receipts. If it is a new license, the fee is based on estimated receipts. The license expires December 31 of each year and must be renewed by March 1.

If the business is physically located in Mathews County, zoning approval must be obtained prior to issuance of the license. You should contact the Mathews County Office of Planning and Zoning for this approval at (804) 725-4034 or 50 Brickbat road, Mathews, Virginia 23109.

If you are a building contractor, your registration with the Virginia Board for Contractors must be current. We require the state registration number and the expiration date in order to issue the license. We will also need the Contractor’s Certificate of Workers’ Compensation Insurance Form 61A.

All businesses in Mathews are required to file a Business Personal Property Return by May 1. Business Personal Property Forms can be found on the Commissioners website at www.mathewscountyva.gov/223/Commissioner-of-Revenue.
